Globalisation has reshaped the face of the world, turning the society in which we live into a multicultural one. In such a new world, there is a strong need to master the culture-specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students, and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role, and in which the communication languages are English and Romanian. The dictionary approaches the cultural aspects of today's multicultural society from a broad linguistic perspective, focusing on several topics, such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy-to-use tool.

This practical dictionary of the Romanian language contains over 30,000 entries in a concise, easy-to-use format. The direction of the translation is from English to Romanian. It offers a broad vocabulary from all areas as well as numerous idioms for holidays or for use as a classic reference work.

Romanian vocabulary book + Romanian dictionary This Romanian vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Romanian-English as well as English-Romanian dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Romanian learning resource is a combination of Romanian vocabulary book and a two-way basic Romanian dictionary: Part 1 - Topic based Romanian vocabulary book: This is the main part of the book and represents a list of chapters each containing Romanian vocabularies for a certain topic. The Romanian vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Romanian dictionary: The index in the second half of the book can be used as a basic Romanian dictionary to look up words you have learned but can't remember or learn new words you need. Part 3 - Basic Romanian-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Romanian words and directly find the English translation How to use this Romanian vocabulary book Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Romanian dictionaries in part two and three can be used whenever needed to look up words you hear on the street. English words you want to know the Romanian translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Romanian dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Romanian and comes in particularly handy at times when there is no internet to look up words and phrases.

The arts and literature have always played an essential role in shaping the national identity of people around the world. In order to discover, understand, feel and appreciate the arts and literature of various nations, we need to master the local language. This dictionary brings into contact two cultures, namely the English and Romanian ones, by facilitating communication in the fields of visual and performing arts, and of literature as well. The Language of the Arts and Literature: An English-Romanian and Romanian-English Dictionary will help translators, interpreters, students, and other professionals that work in the field of culture in general, and of the arts and literature in particular, to communicate in English and Romanian. Designed as an easy-to-use tool, this book is unique regarding its pair of languages, and its broad perspective and innovative structure.

This book is suitable for independent and classroom learners, ideal for the beginner to intermediate student, and takes the reader through the essentials of the language explaining each concept clearly and providing many examples of contemporary Romanian usage. The book contains: a chapter on each of the most common grammatical areas with Romanian and English examples extensive examples of the more difficult areas of the grammar an appendix listing relevant websites for further information on the Romanian language.

The book consists of Elementary and Pre-intermediate courses with parallel Romanian-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

This reference manual provides a list of approximately 300 technical terms and phrases common to environmental engineering which non-English speakers often find difficult to understand in English. The manual provides the terms and phrases in alphabetical order, followed by a concise English definition, then a translation of the term in Romanian and, finally, an interpretation or translation of the term or phrase in Romanian. Following the Romanian translations section, the columns are reversed and reordered alphabetically in Romanian with the English term and translation following the Romanian term or phrase. The objective is to provide a technical term reference manual for non-English speaking students and engineers who are familiar with Romanian, but uncomfortable with English and to provide a similar reference for English speaking students and engineers working in an area of the world where the Romanian language predominates.
